TRAINING

info onclick

Web Developer Trainee

MAR - JUNE 2024

- Completed training in web development, with a focus on key front-end technologies such as HTML, CSS, JavaScript, Bootstrap, and Angular. Gained practical experience in back-end development using Node.js and Express, along with an introduction to SQL for database management.

HARD SKILLS

- **Frontend** : HTML, CSS, JavaScript, Bootstrap, Angular
- **Backend** : Node.js, Express
- **Database** : MySQL
- **Tools** : Postman

PROJECTS

Job Portal

- Currently working on a job portal website where companies can upload job listings, and users can search for jobs and apply. The project focuses on developing a user-friendly interface and managing interactions between job seekers and employers. This experience is enhancing my skills in building web applications and understanding the process of job posting management.

SOFT SKILLS

- Punctuality
- Collaborative Team Player
- Adaptable and Diligent Worker

LANGUAGES

- English
- Tamil
